8. The Corporation shall have the right at its option to redeem the said debentures either in whole or in part on any date prior to maturity at the places where and in the moneys in which the said debentures are expressed to be payable, upon payment of

the principal amount thereof, together with interest accrued to the date of redemption, to redeem by advertising once in The Ontario Gazette and once in a daily newspaper of general provincial circulation published in the City of Toronto, and once in a local newspaper, such notice to be advertised as aforesaid at least thirty days before the date fixed for redemption.
